

Planning and Promotion of Bicycles in Denmark - Study Trip June 18-20, 2018

The study trip will deal with planning of cycle facilities in small and medium sized cities as well as regional connections. There will be a focus on political aspects: how to come from vision to reality. The study trip will include lectures on Odense (200.000 inhabitants) and Hillerød (50.000 inhabitants) as well as several bike excursions in and outside Copenhagen with several opportunities for formal and informal discussions.
